Created for the Pro's, the RRCFX16 mixer case is made for the journey and built to hold strong in high stress situations. Designed to fit the Mackie CFX16 Pro mixer, the RRCFX16 features a heavy-duty, removable cover crafted with our no-pressure design to protect your mixer controls. Our unique low profile base allows you to access the mixer's rear connection panel without removing your mixer from the case and we even threw in a rear access door for easy AC connections. Tougher than the pavement! That's the idea.
