The best vibe going, the RRDJ10 is the final word in protection for your gear. Built to take abuse, the RRDJ10 is designed to hold two battle positioned turntables and a 10" mixer between them. Built with brains the RRDJ10 accommodates various turntables and features smart design elements like our unique removable front panel for easy access to your mixers controls, a rear access cable port for no hassle connections, and adjustable modular foam lining so that you can create the perfect custom fit for your gear. Go ahead get your groove on!
